

The background of the entire image is a low-angle, upward-looking view of the hull of a large ship. The hull is painted in three distinct horizontal bands: a dark blue upper section, a green middle section, and a red lower section. The ship's structure creates a strong sense of perspective, with lines converging towards the top of the frame. The water at the bottom is a deep blue. Overlaid on the upper half of the image is a large, semi-transparent blue circle. Inside this circle, the text "Future100" is written in a large, white, sans-serif font. Below "Future100", the words "in shipping" are written in a smaller, white, sans-serif font.

Future100 in shipping

Future 100 in Shipping is an exclusive talent network for high-potential professionals across **Danish Shipping's member companies**. Each member is nominated by company leadership as a future decision-maker.

Who is it for?

Ambitious professionals aged approximately 25–40 from Danish Shipping's member companies.

The network brings together a broad range of high-performing profiles with leadership potential—from commercial and technical roles to ESG, legal, strategy, operations and beyond.

All are welcome to be nominated, as long as they are identified as talents by their leadership.

What can members expect?

The network meets 8–10 times per year, combining strategic insight with strong peer relationships:

- Invitation to Shipowners' Club events, with exposure to C-level leadership
- Company visits and behind-the-scenes access
- Social networking and team-building events
- Mentorship programme
- Inspirational talks and webinars
